Re: George J. Howard
Assistant Scoutmaster, Troop 357

Dear Jim:

You recently sent us an application for George J. Howard, registering as Assistant Scoutmaster of Troop 357. We know this is the same man as we have on our Confidential File, and we regret to inform you that we cannot accept his application.

When informing Mr. Howard about this, simply tell him that the National Council does not wish to accept his registration in the Boy Scouts of America. If Mr. Howard should raise any questions as to reason, you might indicate to him that the National Council reserves the prerogative to accept those individuals it feels will best serve the interests of the organization.

We are enclosing a credit notice of \$2.50. Please delete his name from your records.

Sincerely,

Paul I. Ernst, Manager

Dear Earl:

Sometime ago I wrote you about a young man, who at that time was registered with Troop 504 at this Council, asking that his name be placed in the confidential file. You requested additional information on this matter and I am attaching a letter from Gen. James U. Cross, Commander of Bergstrom Air Force Base, furnishing that information.

It now develops that there are two individuals involved and you will note that there is a separate letter dealing with each.

Neither of these men is currently registered in this Council. George C. Howard has left Austin and I believe living in Dallas. William J. McCarron, who had been registered as Scoutmaster of Troop 96, I believe is still in Austin, but will probably leave the state.

I hope that this is all of the information you need, but should there be anything else, please let me know.

Sincerely,

Paul L. Beisenherz

Pursuant to your recent status request regarding George C. Howard, formerly assigned to this base, I should like to advise you that he was discharged from the Air Force several weeks ago.

It is my recommendation that he not be further affiliated with scouting because of demonstrated undesirable personality traits.

Re: George C. Howard

Dear Mr. Beisenherz:

Sorry to have to write again concerning Mr. Howard, but as of our confidential letter dated January 28 and a follow-up letter on March 3, we have not received the additional information we mentioned.

We will not be able to place this man's name on the confidential file unless we receive concrete proof of all his misdeeds.

Please send us the substantiating evidence we requested, such as of his discharge papers or a written statement from someone involved. This detailed information is most important, should this man ever again attempt to register in Scouting.

Your prompt attention to this matter will be appreciated. Thank you.

Re: George C. Howard

Dear Mr. Beisenherz:

Thank you for your letter of January 22, advising us to place on the Confidential File the name of George C. Howard, currently registered in Troop 504. Unfortunately, the information you sent us is not sufficient for us to place this man's name in our file.

We need the additional information you mention, detailing the events that led to Mr. Howard's discharge from the Air Force, plus any substantiating evidence, such as a copy of his discharge papers or a written statement from some one involved. This information is most important, should this man attempt to register from some other council.

Unless we receive the above requested material, we will not be able to place this man's name on the Confidential File.
